The i-tec SOLOMON WH200 is a business-focused webcam combining clear image quality with enhanced security. It offers efficient 2K resolution, a wide 92° field of view, and native Windows Hello support for fast and secure facial authentication.

Automatic image processing ensures consistent video quality, while the integrated privacy shutter provides physical protection when the camera is not in use. SOLOMON WH200 is an excellent choice for corporate desktops, office environments, and IT-standardized workplaces.

AUTOMATIC IMAGE OPTIMIZATION

- Automatic Exposure (AE) automatically adapts brightness and contrast to changing lighting conditions, keeping the subject clearly visible without overexposed highlights or dark shadows, all without manual adjustment.
- Automatic White Balance (AWB) automatically adapts color temperature to different lighting
