A freshly squeezed orange juice for breakfast is ideal for filling up with vitamin C, mineral salts and energy. With Ariete’s Vintage electric juicer you will have a powerful, silent juicer which will at the same time enhance the decor of your kitchen with a retro, shabby chic style typical of Ariete’s Vintage line, with a sturdy metal body of robust metal and chromed finishings. It comes with 2 cones for large and small fruit: the large cone is made of stainless steel and the small cone has a pin to secure even the smallest fruit easily. The Vintage juicer has a pressure lever to squeeze the fruit effortlessly, so it’s a professional juicer which you can be sure will keep squeezing till the last drop, thanks to the stainless steel anti-drip spout, designed to avoid wasting juice and ensure that the base surfaces remain spotlessly clean.
