The best headset for clear customer calls* is here – Introducing Jabra Engage 50 II. We've put the power to improve customer satisfaction in your hands. Well, on your head, actually. Our Engage+ software gives you real-time call insights for more meaningful calls and helps increase customer satisfaction. You'll catch even the smallest of details because we gave it not one, but three microphones for clearer sound, while suppressing unwanted background noise to hear what matters most. It's ultra-lightweight yet durable enough to throw in your bag – it's built for real life. And the adaptive fit and comfort-enhancing ear cushions feel so good, you'll forget it's there. Seriously.

Built for the contact centre of today and tomorrow, Jabra Engage 50 II provides real-time call insights to ensure each customer is happier than the last. The trio of best-in-class mics make sure you sound better than ever and you'll never miss another call thanks to an audible ringer. It's lightweight, comfy, and built to last – like a headset hat-trick.
