

ACT Monitor arm 34", wall mount with gas spring, 1 screen

Model: AC8310

Manufacturer: ACT

EAN: 8716065529951

Product Code: 991599

R2,048

The AC8310 gas spring monitor wall mount creates an ergonomic and space-saving work environment. Attach the monitor mount easily to a wall and mount a screen up to 34” to the AC8310 effortlessly via the easy screen mounting system. The viewing height of the screen can be easily adjusted without tools by the convenient gas spring. Alter the monitor with the flexible screen adjustments: tilt, rotate and swivel. The cable management system keeps the cables out of sight for a tidy and clean desk.

Wall mount: ideal for flexible workspaces

The metal AC8310 monitor wall mount is ideal for use at flexible workspaces. The mount is easy adjustable in height without any tools by the integrated gas spring system. Just use your hands to position the monitor to the desired height and depth. The resistance of the gas spring is adjustable.

Tilt, swivel and rotate the screen to create an ideal ergonomic posture and reduce the risk of neck, back and shoulder complaints. Cables are kept out of sight with the cable management system.

Mount the monitor easily by yourself

The easy mounting system makes it possible to attach the monitor to the wall mount all by yourself. The mount has VESA 75x75 and 100x100. The AC8310 comes with all mounting gear for attaching the mount to the wall and the monitor to the mount.
