R15,843

An anti-collision, motorized trolley for Touchscreens up to VESA 800x600mm. This product is unique because of its screen size and easy mount with "pull & release" brackets. This mobile stand with electrical height adjustment provides a silent height adjustment. The 4-inch muting castor omni directional wheels make it easy and save to move the car around. The integrated screen bracket containing most VESA patterns, making it suitable for almost every display. Max supported display size is 86", max weight is 100kg. The laptop shelf can be installed on the height adjustable part of the column and conveniently moves up and down as required.
