

LogiLink MP0030 wire connector RJ45

Model: MP0030

Manufacturer: LOGILINK

EAN: 4052792033076

Product Code: 1051340

R820

LogiLink’s shielded RJ45 plug for data transfer up 10 Gbps is suitable for stranded and solid Cat.6, Cat.6A, Cat.7 and Cat.7A cable. It includes strain relief clamp and wire guide plate for easy wire installing. The connection of crimp contacts, strain relief and shield is done in one step by using a specific crimp tool for Hirose Cat.6 and Cat.6A plugs.
