

LogiLink MP0042 computer case part

Model: MP0042

Manufacturer: LOGILINK

EAN: 4052792045161

Product Code: 1051346

R1,312

This product helps to protect against un-authorized access to a network or system, as well as preventing unintentional or malicious damage to ports. It can also act as a visual cue, showing inactive or disconnected ports. It can quickly block open network ports and prevent users from connecting cables, devices or inserting foreign objects without permission. The lock secures itself to the RJ45 port and can be removed with the attached key again.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
