6,500 LED Lumens (180 ANSI Lumens)

See crystal-clear, vibrant images for an outdoor movie night or while in your home theater with up to 6,500 lumens (180 ANSI lumens) of brightness.

Smart Projector

With a smart projector, enjoy your favorite media from a host of streaming and audio platforms such as YouTube, Netflix, and more1.

Adjustable Stand

The convenient stand lets you adjust and project all your content at even more angles – even the ceiling itself.

Wireless Projection

Break free from the clutter of wires with easy-to-use and built-in wireless projection.

Multimedia Playback

Easily share photos and documents from your personal USB drive with PC-free projection.

Integrated Speakers

What you hear will be just as good as what you see with the powerful built-in speakers2.

Up to 30,000 Hours Lifetime

This projector is designed for extended use, and with a 30,000-hour lifetime34, you won't be needing a replacement any time soon.

Environmentally Friendly LED Light Source

Be safer and more eco-friendly. Create less waste with mercury-free LED light source.
