EAN: 195908316435

Product Code: 1052776

R1,531

A smarter way to power up

The HP 45W USB-C AC Adapter supports four different voltages with a slimmer connector than traditional barrel power connectors.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
