## R1,345

## FLOOR MAT

Equip your workstation with the Genesis Tellur 400 Round Lava - a specially designed floor mat for gaming chairs and office chairs that not only protects the surface from scratches, but also makes it easier to move your chair, all thanks to the soft material. Unique graphics? You can be sure that it will make it easy to incorporate the Genesis Tellur 400 Round Lava into your workstation.

## SURFACE SCRATCHES ARE NOW HISTORY

Forget about abrasions, scratches and cracks. Genesis Tellur 400 Round Lava is a special mat that we designed with the safety of your surface in mind. What's more, the protective qualities of the soft fabric are not the only advantage. You can also count on its durability and freedom to move your chair from place to place - all without much resistance. Get the most out of your chair with the Genesis Tellur 400 Round Lava.

## LARGE AREA

Large mat surface = more space for you and fewer scratches on your floor. As much as 100 cm in diameter will take care of your comfort whether you are conducting a quiet game or participating in a dynamic clash.

## DURABILITY FOR YEARS

Genesis Tellur 400 Round Lava is a mat that you will really spend a lot of time with. Durable fabric, a non-slip underside for stability, and a surface that - even if there is dirt - you will wipe off without risking damage to your favorite design.

## STYLE? WE KNOW SOMETHING ABOUT IT

Looking to change things up in your workstation? The Genesis Tellur 400 Round Lava is the perfect addition to any space, and it's all thanks to the high-quality flat graphic that pairs perfectly with the Genesis Carbon 500 Maxi Lava G2 pad. Stylish and functional - that's what the Genesis Tellur 400 Round Lava is.
