Amp it up with quad speakers

Boost your viewing experience with the rich and deep audio of the quad-speaker system on Galaxy Book5 Pro 14". The four speakers are tuned with Dolby Atmos surround sound, so you feel fully immersed.

Brighten up video calls with Staggered HDR

Jump into online meetings confidently with Staggered HDR. Your webcam video stays crisp and vivid with a wide dynamic range, so you are camera-ready for calls in the office or on the go.

Smarter touchpad. Dongle-free ports

Navigate easily using the touchpad with adaptive palm rejection — control your taps with precision thanks to palm monitoring on the subdivided palm area, reducing the chance of accidental touches. Plus, connect devices to your workstation using the two built-in Thunderbolt 4 ports, HDMI, USB-A, microSD card slot and Headphone/Mic.

Wi-Fi 7. Full speed ahead

Go online, stay online — Wi-Fi 7 is up to 4.8x faster than Wi-Fi 6, letting you connect reliably with lightning speed. Join online meetings, share updates and stay in touch easily with smooth real-time interactions and ultra-low latency.

Samsung Knox. Pro security

Safeguard your system with premium security from Samsung Knox. A dedicated security chip in the hardware is designed to shield you device in real time. Protected all around, your laptop's critical system data can stay safe from potential threats and breaches.

Seamlessly pair and control Galaxy devices

Nearby devices lets you connect and operate your Galaxy devices in an instant. Open the menu on Galaxy Book5 Pro 360 to link devices with a simple drag-and-drop, then launch intuitive features

such as Multi Control and Storage Share between your phone, PC and Tab all from one connectivity hub.

Storage Share. Explore files across devices

With Storage Share, enjoy the freedom of using the storage on your phone and PC as one. Browse photos and play videos stored on your phone, edit mobile content and import it in your projects directly on your PC — no file downloading required.

From first draft to fine art

Need a custom image for a presentation? Use Cocreator in Paint — sketch your idea and watch as AI transforms it into artwork. Edit, regenerate and apply finishing touches using simple prompts.

Go global with real-time translations

Catch every word in conference calls with Live Captions. AI automatically detects speech in meetings and video streams and converts it into English captions in real time, helping you to stay in the know.

Launch AI with one press

A single press is all it takes to launch Copilot — the dedicated key on the keyboard of Galaxy Book5 Pro puts personalised AI assistance at your fingertips for instant access when you need it.

Dynamic AMOLED 2X. Vivid visuals come to life

From detailed presentations to vibrant content, it all looks captivating on the high-resolution Dynamic AMOLED 2X display. With vivid colours, smooth motion and reduced blue light emission for eye comfort, this brilliant screen is a sight to behold.

Dazzling views at any angle

Take in all the details on the anti-reflective screen thanks to Corning® Gorilla® Glass with DX. The surface treated cover glass with less than 2% reflectance decreases the amount of unwanted surface

reflection, helping visuals to remain crisp and legible from a variety of angles.

Control at your fingertips

Galaxy Book5 Pro's touchscreen puts control at your fingertips. Navigate through apps and menus, edit content, fine-tune project details and more using intuitive multi-touch gestures that enhance productivity and creativity at every touch.

Vision Booster. Look on the bright side

See your content clearly even in the bright outdoors with Vision Booster. An intelligent algorithm uses tone mapping to adjust the contrast and colours depending on the light conditions, so your views stay vivid in various environments.

Quick Share. Swift, safe transfers

Sharing pics, docs and massive files between Samsung Galaxy devices is a breeze with Quick Share. Connect devices via direct wireless pairing for instant transfers, even if it's something sensitive — the private sharing feature encrypts your data with blockchain technology for safekeeping.

Multiple devices, unified control

With Multi Control, multitask seamlessly across Samsung devices using your PC's keyboard with a mouse. Navigate through menus, access files and data, copy and paste content easily between your laptop and your smartphone, Galaxy Tab, Samsung TV or Smart monitor.

Bring along your Tab as a Second Screen

Double your workspace by connecting Galaxy Tab as an additional display to your PC. Link the devices with just a click on your laptop, then take advantage of the extra space on Galaxy Tab with Extension, Duplicate and Rotation modes to rearrange your view.
