

LevelOne GEMINI 4-Channel PoE Network Video Recorder, 4 PoE Outputs, H.265

Model: NVR-0504

Manufacturer: LEVELONE

EAN: 4015867202265

Product Code: 1053474

R6,907

The LevelOne NVR-0504 NVR enables live view, recording and playback for up to 4 IP network cameras at the same time, featuring up to 8-megapixel resolution and H.265/H.264+/H.264 video compression. Operation is easy and intuitive via the web browser interface (IE), enabling remote monitoring and functionality. Mobile device operations are also supported (iOS/Android), with remote viewing via the LevelOne NVR app.

The NVR also features built-in HDMI, VGA and USB ports for peripheral devices such as a monitor, mouse or keyboard, allowing users to operate directly from the NVR without the cost of adding a PC to the deployment. One HDD bay completes the package, with a disk capacity of up to 6TB making the LevelOne NVR-0504 a powerful, smart and cost-effective solution for managing your security network.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

An integrated 4-port 802.3at PoE switch enables the NVR to run both power and data on the one cable to power up connected PoE cameras.

Central Management System (CMS) software is included for free, with no license fees. The CMS is capable of managing up to 256 NVRs, making it suitable for large scale surveillance applications.
