

Netatmo Mount for Smart Rain Gauge and Smart Anemometer

Model: NWM01-WW

Manufacturer: NETATMO

EAN: 3700730500913

Product Code: 1053502

R1,671

The Netatmo Mount makes it easier to attach your Netatmo Smart Rain Gauge / Smart Anemometer to a wall, roof, pole or railing.

Standard camera mount thread: 1/4-20 UNC bolt.

A single mount is needed to install a Netatmo Smart Rain Gauge or Smart Anemometer alone.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
