Elevate your business with TravelMate P4 16, a cutting-edge laptop designed for professionals and packed with top-tier features, it’s the epitome of performance and security.

Unmatched Performance

Harness the power of the latest Intel® Core™ Ultra Processor with vPro essential1, Intel Unison, fast Dual-channel DDR5 memory, and M.2 PCI-e SSD Storage. With long battery life1,2 and fast charging, your productivity knows no bounds.

Beyond Performance

Intel® Core™ Ultra processors excel at real-world business computing, improving upon the revolutionary architecture that uses adaptive computing to give all professionals a powerful and smooth experience.

PC and Phone Integration

Intel® Unison™ seamlessly connects with your choice of phone. Transfer files & photos, send and receive calls & text messages, and receive & manage phone notifications all from your PC.

Threat Detection Technology

Users are better protected with AI-powered security capabilities that can help detect threats before they happen, including ransomware, cryptojacking, and software supply chain attacks.

Security and Management Mastery

Enter a realm of unrivaled security and comprehensive administration where your data is safeguarded with discrete TPM 2.0, biometric security, and privacy shutter. Streamline and simplify with IT Deployment & Management for business.

Fingerprint Reader

Embrace security at your fingertips, protecting against unauthorized access and safeguarding your personal data.

Privacy Camera Shutter

The physical camera cover ensures no unwanted eyes can access your webcam, keeping you safe from potential threats.

Acer ProShield Plus

An all-in-one security solution that helps secure against unauthorized access and intrusion.

AI-Ready Innovation

Experience the future of productivity on an AI-ready business laptop with TravelMate Sense, PurifiedVoice with AI Noise Reduction, Microsoft Copilot with hot key3, and more.

Designed for Tomorrow

With MIL-810H certification4, the TravelMate P4 16 is designed to be durable. Thanks to the Acer Dust Defender, dust won’t impede your progress. Lead the charge in creating a more sustainable environment with a business laptop made with recycled materials5.

Stunning Display, Enveloping Sound

Be captivated by the visual details on a WUXGA (1920 x 1200)1 narrow bezel display with a 16:10 aspect ratio. Immerse yourself with Acer TrueHarmony for an unparalleled visual and audio experience.

Stay Connected Anywhere

No matter where you are, whether you’re on the move or stationed at your workstation, the TravelMate P4 16 offers a variety of ports and fast WiFi 6E connectivity with Bluetooth 5.31 for frequent business travelers.
