

# CyberPower OL5KERTHDL uninterruptible power supply (UPS) Double-conversion (Online) 5 kVA 5000 W 10 AC outlet(s)

Model: OL5KERTHDL

Manufacturer: CYBERPOWER

EAN: 4711027798387

Product Code: 1053839

## R83,071

CyberPower OL5KERTHDL guarantees power backup protection for IT equipment, servers, workstations, NAS/Storage devices, telecom devices, networking devices, security/emergency systems, and surveillance systems. The UPS adopts double-conversion topology to provide high-quality power output in a compact design. This generator-compatible UPS features hot-swappable battery packs for maintenance without power interruption, and comes with additional ECO Mode to conserve power and save on energy costs.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

The UPS can employ Extended Battery Modules (EBM) to prolong runtimes, and adopts patented Battery Management Technology to balance battery string voltage for optimal battery lifespan. This model also features tiltable color LCD panel that allows users to monitor key power and battery information at a glance. The PowerPanel Power Management Software allows user to perform real-time monitoring and remote management of the UPS.
