Wall Mount Kit

When saving space is a priority, mount any AG Neovo display with the convenient WMK-01 Wall Mount Kit.

Made with high-grade anodised steel, this weather-resistant, easy-to-install 2-piece bracket is suitable for a wide variety of indoor and outdoor environments. Compliant with VESA standards, the durable WMK-01 can accommodate any display up to 18.0 kg. The WMK-01 is perfect for single and multi-monitor environments including retail, healthcare, finance, and public spaces where space is at a premium.
