Product Code: 1054815

R1,851

Organize up to 24 Cat5e patch cables using only 0.5U of rack space

The PANELHU24 Rack Mount Cat5e patch panel condenses 24 ports into a 0.5U panel, making it an ideal solution for smaller installations.

Color coded for both T568A and T568B wiring, this network patch panel provides the perfect solution for any voice or LAN application and offers dual type IDC termination. For convenience, the port numbers are clearly marked on the front of each RJ45 port, offering a quick and easy way to identify
