

Microconnect PE14CEEAD power plug adapter C14 Type F Black

Model: PE14CEEAD

Manufacturer: MICRO CONNECT

EAN: 5711783344605

Product Code: 1055271

R889

The PE14CEEAD Power Adapter seamlessly converts a C14 inlet to a Schuko (Type F) outlet, providing a reliable and convenient solution for connecting devices with different power plug types. This adapter is perfect for adapting devices with a C14 connector to standard European Schuko power outlets. Designed with premium materials, the adapter ensures secure and stable power transmission. MicroConnect brings over 20 years of expertise to this adapter, ensuring it meets strict European quality standards. This adapter is a versatile addition to any toolkit, making it easy to connect various electronic devices in different environments.
