Introducing our PanzerGlass® screen protector, made from 60% recycled glass. iPads are part of everyday life – and that means they’re exposed to everyday hazards like drops, bumps, and scratches. And that’s exactly what this PanzerGlass® screen protector is made for: keeping your iPad safe from life’s little accidents. Unexpected bumps against sharp-edged table corners or falls onto stone-hard floors are no match for its scratch and shock-resistant layers. Installation is a breeze with the new FastFit tool . Say goodbye to misalignment and dust intrusion. Simply place your iPad face-up, pull the tab, and enjoy the flawless installation. The Ultra-Wide Fit screen protector covers the entire front surface of your iPad, while still leaving room for a case. It provides a complete and crystal-clear view of your screen and comes in FSC™-certified packaging that can be recycled. The
