When it comes to your iPad, you want protection and optimal screen readability. The Anti-Reflective Armor Screen Protector from PanzerGlass® delivers both. Made with 60% recycled glass, it protects your screen from everyday accidents. The new anti-reflective treatment significantly decreases reflections while increasing the light transmitted. That means you can view your screen in full sunlight with barely a hint of reflection. The texture provides a soft look, anti-glare properties and very low friction. Not to mention light transmission of more than 94% and reflectivity below 0.3%. Installation is a breeze with the new FastFit tool . Say goodbye to misalignment and dust intrusion. Simply place your iPad face-up, pull the tab, and enjoy the flawless installation. For extra protection,
