R3,321

Sleek and Exquisite

The FSP M580 showcases a panoramic tempered glass design and adopting a rounded chamfer design, offering an exclusive exterior to highlight your system’s potential while consistently enhancing the gaming atmosphere.

Exceptional Cooling Power and Performance

Featuring four sets of powerful ARGB fans, all controllable via the motherboard, this setup delivers stunning lighting effects while optimized cooling ensures peak system performance and stability.

Unleash Boundless Gaming Power

Supporting ATX (back-connect motherboard), M-ATX, and Mini-ITX motherboards, the M580 case accommodates graphics cards up to 445mm and radiator up to 360mm, providing the flexibility for an immersive, unrestricted gaming experience.

270° Panoramic Views

The seamless curved glass ensures stunning aesthetics from both the front and side views.

Ample Space for Future Expansion

The M580 offers a spacious design, accommodating all your current gear while leaving room for future upgrades.
