

# FSP NP5-B Processor Cooler Air 120 mm Black

Model: POO0000012

Manufacturer: FSP GROUP

EAN: 4711498480811

Product Code: 1055892

## R1,345

## Advanced Anti-Gravity Heat Pipes

Maximize the NP5's performance when installed vertically on the motherboard.

## Exceptional Heat Dissipation

The aluminum alloy design delivers outstanding thermal conductivity, ensuring fast and efficient heat transfer.

## Compact Size and Full RAM Clearance

With dimensions of 94mm in depth and 151mm in height, it offers 100% RAM clearance.

## The Black Elegance

The unique black coating seamlessly integrates with your black PC build.

## Premium Quality

Equipped with a 120mm PWM fan and anti-vibration rubber pads, it ensures a quiet experience even under heavy load.

## Effortless Installation

The intuitive mounting bracket ensures an easy and enjoyable installation process.

## Seamless Compatibility with the Latest CPU

The NP5 is fully compatible with the newest sockets, ensuring optimal integration without interfering with RAM.
