

LevelOne Fast Ethernet High Power PoE Splitter, 12V DC Output

Model: POS-4000

Manufacturer: LEVELONE

EAN: 4015867149379

Product Code: 1055902

R1,280

The LevelOne POS-4000 is a PoE Splitter working with the POI-4000, FSW-0513 and POH-1260 high power PoE injectors for enabling PoE functionality to network device that requires more power. The POS-4000 is capable of supporting maximum power output 12VDC/2.5A for device that requires power up to 30W. Internal current limit, short-circuit and overload protection are implemented to maintain safety of connected device. Furthermore, using with the POR-0100 PoE repeater can extend the PoE connecting distance beyond additional 100 meters.

- Enables high-power PoE connectivity for non-PoE device
- Max. power output up to 12VDC/2.5A (30W)
- Simple Plug and Play installation
