2U rack mount front plate for two 1.3-litre XPC slim machines

This mounting kit includes a high-quality 2U front plate to install two 1.3-litre XPC slim PCs from Shuttle in a 19" server rack. Should only one XPC be installed, the unused opening can be closed with a cover plate which is also provided.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
