

Lanview RCCTV002 rack cabinet 0U White

Model: RCCTV002

Manufacturer: LANVIEW

EAN: 5420016861658

Product Code: 1058988

R14,547

Product Dimensions: W:600 x D:300 x H:550mm

If you are looking for a durable and reliable camera cabinet that can withstand harsh weather conditions and external impacts, look no further than the Radius Series Pole Type Camera Cabinet. This product offers a range of features that make it ideal for outdoor surveillance and security applications including four camera installation points, one of which is movable.

Features

The double wall structure and gaskets on the doors and top cap provides maximum weather and dust protection for active devices inside the cabinet by creating a layer of insulation between the inner and outer walls.

A fan module with 2 fans and a thermostat is provided to ensure that the devices inside the cabinet are cooled properly. The module features a replaceable ventilation filter inside the cabinet which prevents dust and water inlets without compromising sufficient airflow.

DIN rails are provided for the devices and electric equipments to be used inside the cabinet.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

The hinged top cap enables you to open the top cap easily from inside the cabinet, so you can access the fan modules and other components without any hassle.

Oval corners allows Radius Camera Cabinets to be minimally affected by windy conditions.

Easy installation

The pole installation allows you to fix the cabinet to the pole easily after the internal assembly is finished. You don't need any special tools or skills to install this product.

1. RAL7035
2. Steel Door
3. Pole mounting brackets included
