

Rackmount.IT RM-CI-T21 rack accessory Mounting bracket

Model: RM-CI-T21

Manufacturer: RACKMOUNT

EAN: 8720297441455

Product Code: 1059389

R4,460

Introducing the RM-CI-T21, your ultimate solution for seamlessly integrating your appliance into a 19" rack. This rack is custom-designed to perfectly accommodate the listed models, ensuring a snug and secure fit every time. With convenient front-facing connections, accessing your setup has never been easier.

Worried about accidental power loss? Fear not! The power supply is securely fixed to the rack, providing peace of mind and uninterrupted functionality. Assembling your setup is a breeze, taking less than 3 minutes from start to finish. Simply slide your device into the kit, secure it with the retainers, connect the included cables to the keystones, and fix the power supply to the rack – it's that simple! Want to add a personal touch? Customize your setup with a variety of color options and even add your own logo or branding – available on a project basis. Experience seamless integration and effortless assembly with the RM-CI-T21 – your go-to solution for professional rack mounting.
