

Rackmount.IT RM-CP-T4 rack accessory Mounting bracket

Model: RM-CP-T4

Manufacturer: RACKMOUNT

EAN: 8718868918628

Product Code: 1059390

R4,460

The RM-CP-T4 gives you the ability to mount your Check Point desktop firewalls in a 19" rack. The rack is tailored specifically for the listed models to guarantee a perfect fit. In addition, the connections are brought to the front for easy access, as well as the console port. The power supply is fixated to prevent an accidental loss of power.

Assembly will take about 5 minutes. Simply slide your Check Point device in the kit, place the retainers, connect the supplied cables to the keystones and fix the power supply to the rack.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
