

MSI Spatium M560 PCIE 5.0 NVME M.2 1TB PCI Express 5.0 3D NAND

MSI Spatium M560 PCIE 5.0 NVME M.2 1TB PCI Express 5.0 3D NAND

Model: S78-440L0F0-P83

Manufacturer: MSI

EAN: 4711377275347

Product Code: 1062504

R5,968

M560

CHARGING AHEAD WITH SPEED

From the MSI universe comes storage with blazing speeds and incredible performance. Take your system to the next level with SPATIUM.

SUPERCHARGED WITH

PCIe 5.0

Get excited for next-generation storage performance that unites the latest PCIe Gen 5 controller technology and state-of-the-art 3D NAND flash, providing up to 1.8 times faster read/write speeds compared to the previous generation SSDs.

The SPATIUM M560 delivers immense performance and capabilities that effortlessly handle even the

most extreme gaming or productivity workflows, representing a significant advancement over PCIe 3.0 and SATA technologies.

FULFILL UNLIMITED POTENTIAL

Built-in data security and error-correction capabilities extend the endurance and longevity of the NAND flash storage, empowering you to break records in games or take your talents to the next level.

Freeing Up Space

TRIM

To process unnecessary data efficiently and extend the life of SSD for more games or content creations.

Gaining Controls

S.M.A.R.T

To Monitor the health of the drive and identify possible issues, letting you be free from worry in games or at work.

Error Removal

ECC

To maintain your important records or files intact and ensure a nonstop gaming experience from system failure.

Steady Transfer

E2E DATA PROTECTION

To enable reliable data transfer and assist you to game and create in confidence with enhanced system stability.

A THOROUGH SHORTCUT WITH

DIRECTSTORAGE

DirectStorage accelerates loading times in gameplay and high-resolution rendering, enhancing system performance by enabling hardware decompression directly from NVMe drives to GPUs and freeing up CPU resources for multitasking.

Your Performance Booster

BUILT TO WIN

With the gamers' first attitude, SPATIUM SSDs optimized for high-performance bandwidth and throughput enable you to wait less at loading games and play to win with minimal latency.

CREATE. PRODUCE. DONE.

With the gamers' first attitude, SPATIUM SSDs optimized for high-performance bandwidth and throughput enable you to wait less at loading games and play to win with minimal latency.

TAKE CARE OF YOUR DATA

Migrate your data, monitor drive health and performance metrics in real-time with MSI Center. Prevent loss of data using the provided Actiphy software solution which includes backup & restore functionality.

PARTNERED WITH ACTIPHY

Actiphy, a world-leading data protection solution provider, develops essential and user-friendly software. ActiveImage Protector* - an enterprise-level backup and disaster recovery software that protects your computer from system failures and data loss. Ideal for individuals and organizations.

OPTIMAL M.2 SSD

Designed in the M.2 2280 form factor, SPATIUM SSDs are easy to install into desktops, bringing speedy performance and power efficiency to any computing system.

5-YEAR WARRANTY

MSI stands by the quality and reliability of the SPATIUM M560 with a 5-Year comprehensive warranty. If you need assistance or are not satisfied with your product, MSI support is available to help and assist.
