

LogiLink SC0111 smoke detector Carbon monoxide detector Wired & Wireless

Model: SC0111

Manufacturer: LOGILINK

EAN: 4052792055290

Product Code: 1062763

R1,216

Product information "Carbon monoxide detector with LCD"

The LogiLink carbon monoxide detector makes your home safer. It reliably alerts you to increased indoor CO concentrations in the air and warns you by means of a high alarm signal (85 dB).

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
