started transferring large files instantly.

Supports Direct Recording on iPhone 15 Pro

The SC750 external SSD adopts a Type-C port and supports file transfers with the latest iPhone 15 series smartphones. Record Apple ProRes videos with high-end iPhone 15 Pro and iPhone 15 Pro Max models and eliminate the need to purchase a high-capacity iPhone 15 Pro. The SC750 is a painless upgrade for your wallet!

A Virtual Vault for Your Gaming Handheld

Want to download a large number of games but gaming handheld is running out of space? Use the SC750 to backup your collection, eliminating the long wait when re-downloading. Plug and play to quench your thirst for games instantly!

Your Game Library

The SC750 can be connected to the latest generation of game consoles. Games that do not fit on the consoles' internal storage can be stored in the SC750, making it easy to expand your game library and add to your entertainment lifestyle.

Hassle-Free Compatibility

Whether Android, macOS, Windows, or other operating systems, you will not need to worry about compatibility. Just connect via its Type-C port and go.
