Big Things Come in Small Packages

We can all use some extra space. To store our digital content, that is. That's why we designed the One Touch family — premium, high-capacity HDDs, SSDs, and hubs to help you manage your digital world with ease and confidence. Durable and dependable, keep your content with you so it's ready to access — whenever you need it — with our ultra-small, portable HDDs and SSDs. Or backup files AND charge multiple devices simultaneously with the password-protected hub in abundant capacities.

Measurably Small. Amazingly Fast

Accelerate your performance and score some downtime with One Touch SSD. With speeds up to 1,030 MB/s4 to transfer large files without delay, an Android app to backup photos and videos — freeing up device space — plus up to 2 TB capacity and simple plug-n-play USB-C Windows and Mac compatibility to keep files handy. Travel-sized and styled right, work seamlessly from the drive — wherever you are.

High Capacity. Stellar Style

Refined and understated. Cosy and textured. One Touch comes in an array of styles and capacities made to compliment your signature look. And whether you're storing yearly tax documents or ever-growing collections of high-res photos, capacity won't be an issue.

Make Your To-Do List Easier

Life's busy, and backing up digital memories is always on the to-do list. Check it off — with One Touch Hub. Password-protected storage with a front-facing USB-C and USB 3.0 port to backup AND charge multiple devices, Windows®/Mac -compatibility, and capacities that store countless photos.

Advance Data Encryption with One Touch Hub

Need a hard drive that goes above and beyond the call of duty? Opt for One Touch Hub with data security. Thanks to its password protection and AES-256 hardware encryption — the same standard used by the U.S. government and global intelligence agencies — you can rest easy knowing your digital life is secure.

Convenient Backup

With One Touch SSD you can sync folders for seamless file management, and get the effortless file protection of Sync Plus software.

With One Touch HDD, schedule automatic hourly, daily, weekly, or monthly backups to keep all your files consolidated into one place.

Whatever your backup style, One Touch offers an easy-to-use solution for you.
