

TP-Link Tapo C460(EU) Bullet IP security camera Outdoor 3840 x 2160 pixels Wall

Model: TAPO C460

Manufacturer: TP-LINK

EAN: 8885020629576

Product Code: 1069060

R3,870

4K Ultra HD

More Clarity, Finer Details

4K resolution has 4× the number of pixels compared to 1080p. This results in greater image clarity, finer details, and a sharper picture. Capture license plates, smaller objects, and more with 4K.

More Definition, Sharper Images

Utilizing an Edge Improvement algorithm, the Tapo C460 delivers crisper edges and finer details, from facial features to text and even plant textures.

Accurately Identify with Starlight Color Night Vision

With a highly sensitive starlight sensor and integrated spotlights, enjoy full-color night vision.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Enhanced colors offer improved context and detail for quicker, more accurate observations.

Go Magnetic - Installs Almost Anywhere!

This battery-powered Wi-Fi camera provides 100% wire-free installation.

Use the magnetic base to lock on to any iron surface or mount it on the wall with wire-free versatility.

Enduring Power for Continuous Security

With its remarkable 10,000mAh built-in rechargeable battery,

Tapo C460 reduces the frequency of recharges, providing up to 200 days of uninterrupted performance on a single charge.

Dual-Band WiFi Connectivity

The Tapo C460 can connect to both 5 GHz and 2.4 GHz WiFi bands for range flexibility. The 5 GHz connection offers faster speeds at shorter distances while the 2.4 GHz connection provides a longer range.

Detect People, Vehicles, and Pets with No Subscription

Tapo C460 accurately identifies people, vehicles, and pets to reduce false alerts and unnecessary notifications.

Rapid & Reliable Alerts

An advanced processor allows for faster detection speeds with accurate alerts versus previous Tapo cameras. Utilize the built-in siren, custom alarms, 2-way audio, and light intensity to deter unwanted visitors.
