Schedule Your Life

Create a regular schedule to turn on/off with the brightness you set. Sunrise and sunset modes allow the light to activate automatically according to your time zone.

Voice Control

Works with Amazon Alexa and Google Assistant to free up your hands. “Hi, Alexa, turn on the light” or “Hey, Google, dim my bedroom lights”.

Remote Control
for Convenient Living

The whole room is dark when you get off from work at night, then you need to fumble around to find the light switch. With L510E and the Tapo app, you just need to take your smart phone out fromt pocket and open Tapo app, then everything is on.

Away Mode

Worried about the house when your family is on a trip? This is where Tapo L510E Dimmable Lights functions. It turns on/off the lights randomly to simulate someone being at home.

No Hub Required

Connect the L510E Light to your home Wi-Fi network, then you are all set. No need for extra hubs or other devices.

Energy Saving

Benefit from the advanced technology, the Tapo L510E Dimmable Lights consume less energy than normal LED lights.

Tapo Ecosystem
