Extra Bright, Infinite Colors.

Smart Wi-Fi Light Bulb, Multicolor

Extra Bright 1055-Lumen Light

Tapo L535E provides 1055 lumens of crisp, high-quality lighting, which is brighter than most standard 800-lumen smart color bulbs. It can brighten up your daily routine or activities and is ideal for any space in your home that requires brighter lighting.

Matter products.

All-Round Compatibility

Integrate your Tapo Matter device seamlessly into your chosen smart home ecosystem, no longer restricted to a specific platform.

Multi-Admin

Control your Tapo Matter devices via multiple platforms at the same time or through different accounts on a single platform to share your device with your family.

Reliable & Secure

Adopting proven encryption algorithms, Tapo Matter devices communicate with other certified devices in the local network (LAN), leading to lower latency and increased security.

Easily Manage Your Life

Create regular schedules and countdown timers to turn on/off lights at your set brightness. Sunrise and sunset modes allow lights to activate automatically according to your time zone.

Even Smarter with Sensors

Connect your smart bulbs with Tapo smart sensors to unleash the potential of your smart home.

Greener Smart Lifestyle

Tapo L535E reduces energy use by up to 89% without sacrificing brightness or quality, compared to a 75 W incandescent bulb. It is designed to operate efficiently in your home for longer periods with less energy consumption.

No Hub Required
