The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
itworkup.co.za | sales@itworkup.co.za | +27 (11)541-9950

Exclusive DeepVac™ technology, featuring a redesigned air inlet angle, optimized main brush, and air ducts, achieves a dust pickup rate of over 97%, ensuring smooth, clog-free airflow.

Multiple Strategies for Your Carpet Areas

Smart settings tailored for carpets make cleaning time-saving and effortless.

Smart Auto Empty Dock

RV30 Max Plus empties its dustbin automatically after cleaning to keep your hands free. Dust stays out of sight for up to 2 months with a disposable 3L large sealed dust bag.

LiDAR+IMU Dual Navigation System

The 360° radar vision accurately maps every inch of your home, detecting even small obstacles with high precision. With the Tapo app's customized operation, you can achieve a thorough whole-house cleaning with just a tap of your finger!

Effortless Cleaning with IQ+ Smart

Tapo IQ+ Smart Cleaning™ serves as the robot's brain. Powered by multiple sensors and advanced algorithms, you can reliably leave your home in its hands!

Anti-Stuck Sensor

Equipped with an Anti-Stuck Sensor on top, the robot automatically backs up when it enters a space with insufficient height, preventing it from getting trapped.

Up to 0.87" / 22mm

Climbing Capability

The robot can now climb up to 0.87", effortlessly crossing thresholds to ensure no rooms are missed while cleaning.

3D House Mapping §

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. itworkup.co.za | sales@itworkup.co.za | +27 (11)541-9950

View a 3D schematic of your home's rooms and furniture at a glance. Intelligent algorithms allow you to control Tapo products throughout the house with just a tap!

Speak to Clean

Pair with Amazon Alexa or Google Assistant to control the robot with simple voice commands. A series of Alexa custom skills are specially built for users to easily control how and when to start cleaning. Enjoy hands-free living.
