All-Round Protection with Vivid Colors

Outdoor Pan/Tilt Security Wi-Fi Camera

360° All-Round Protection

Provides 360° horizontal & 130° vertical viewing range, enabling you to focus on more vital areas and eliminate blind spots. Assign points for the camera to patrol for dynamic monitoring.

Advanced Person Detection for What Matters

Smart AI identifies a person accurately, reducing false alarm and sending real-time notifications through the Tapo app.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Build to Withstand Water & Dust

Tapo C510W is protected against jets of water and dust with IP65 weatherproof rating. It works well in rain, snow, dust, and heat.

Customizable Sound and Light Alarm

Craft your own audio alarm and tailor the intensity of the dual spotlights to fit your needs. Activate the integrated siren along with the spotlight alarm to deter unwelcome intruders effectively.

Secure Local & Cloud Storage

Save all your important moments to a microSD card1 (up to 512 GB) or subscribe to Tapo Care for cloud service after a free trial.

Install Where You Value Most

Tapo C510W supports multiple installation options. You can install the camera on the wall, eave, or pole. Monitor the area where you care the most.
