Smart Wi-Fi Light Strip
Full Color Ambience
for Every Occasion

The Brightest Bulbs

Our high-quality LED light leads possess a longer lifespan than the entire light strip (almost double). Hence, L900 light strip stands out, being 20% brighter and lasting 50% longer than other common products.

Color Your Life

Once you work out how you want your lighting set up, save it, schedule it, and you’re ready to go! Set for your times and you can enjoy it.

Bounce to the music and the lights

Let your music overtake you as the lights reflect your mood. Pick up sound through your mobile device and set up the perfect party atmosphere*. The lights will sync to the frequency and the beat, creating a mini-festival in your own home * The Sync-to-Sound function will be released later in 2021.

Control With Your Voice

The Smart Wi-Fi Light Strip reacts to your preferred smart home platforms, including Google Assistant, Amazon Alexa, and Apple Home.

Direct Control

All Tapo Smart Wi-Fi Light Strips let you connect directly to the Tapo App. Take full advantage of all the intelligent features you demand.

Automatic Control

Let the light strip guide you through the night. Connect to the Tapo Sensor* and glow softly as you get up in the night. It will turn itself off after a short period of time without disturbing others.

*Tapo Sensor sold separately, the connectivity to Tapo Sensor will be released later in 2021.

Tactical Control

Use the Controller Box to manipulate the Light Strip. Turn it on or off, reset the Light Strip, and change the current colors.
