Clear display. Kitchen timer

See how long your dish has left to cook, at a glance. This portable radio boasts a kitchen timer, which is simple to set via the radio menu. The digital display shows a countdown timer in hours, minutes and seconds.

Beautiful design that fits right in

A light wood cabinet surrounds the black gloss display panel and the speaker, which is covered in grey speaker fabric. There are buttons on the front of the radio for tuning, source selection and more. Volume up/down is controlled via the sleek rotary dial.

Compact and convenient

Using the plug socket for your food mixer? Keep the music going with batteries instead. When you're done whisking, plug the portable radio into a mains supply using the AC cable.
