Built to fit laptops up to 16", the Targus 15-16" Coastline EcoSmart® Briefcase is thoughtfully designed for optimal device safety while championing sustainable design. Made from OceanCycle certified ocean-bound plastic, the GRS-certified recycled materials speak volumes about your commitment to a cleaner, greener planet. The bag features a removable and adjustable padded strap for versatile carrying options, enhancing comfort for those longer journeys. Its main compartment, coupled with the dedicated SafePort® Sling Protection, keeps your belongings organised and secure. With a comprehensive workstation, and easy-access front pockets, the messenger-style bag simplifies the task of staying organised.

Designed for Comfort

Enjoy unparalleled comfort and mobility with the Targus 15-16" Coastline EcoSmart® Briefcase. Designed for an active, on-the-go lifestyle, the messenger bag features a padded, removable, and adjustable strap. The ergonomic design ensures that it contours comfortably to your body, distributing weight evenly for a more comfortable carry, regardless of how long your journey is.

SafePort Sling Protection System

Equipped with the SafePort Sling Protection System, the Targus 15-16" Coastline EcoSmart Briefcase ensures unparalleled safety for your electronics. The system securely cradles and cushions your laptop, reducing movement and absorbing shocks, providing enhanced protection for daily commutes and prolonged travel alike.

Making Waves of Change

Your choices make a difference. The Targus Coastline Collection contributes to local and global environmental efforts by utilising OceanCycle fabrics and targeting ocean-bound plastics. The messenger bag is a testament to cleaner waterways and a more sustainable world, featuring low CO2 materials and FSC-certified packaging.

Limited Lifetime Warranty

We're so confident that the Targus 15-16" Coastline EcoSmart® Briefcase is made to last, we put a Limited Lifetime Warranty on it. This doesn't just guarantee you're getting the very best quality, it also means that you're contributing positively to the planet by reducing waste.
