Brother P-touch Pro Tapes are built with tough and durable professional grade materials and adhesives. Developed to meet the needs of tradespeople and other professionals looking for reliable long-term identification that withstands the test of time. Guard yourself against theft and tampering, with the genuine Brother TZe-SE5 labelling tape. Ideal for creating electrical safety test labels, this laminated tape will ensure that your label can't be removed from one location and added to another. Once the tamper-resistant security tape is peeled, the label leaves a checkerboard pattern, indicating the label has been tampered with. Pro Tape TZe tape cassettes are quick and easy to install and come in various label widths, colours and materials. So, no matter what the job, Pro Tapes can provide you with crisp, sharp and easily readable labels to get the job done.
