HD USB webcam Pro, 80°, dual microphone, auto focus, privacy cover

The best for your video conferencing & live streaming! This Full HD webcam UA0379 has a powerful auto focus function keeping you in focus, even when you‘re moving around. Also features a cover to protect the lens and your privacy. With the high-quality dual microphone, sound is purer and clearer – guaranteeing crystal-clear conversations in the room. For smooth video replay, the 6-layer coated lens provides precise and distortion-free images at the same time. Even if you are in a dark area, the low light correction function adjusts your lighting to create bright images.
