Microconnect USBAPS2F cable gender changer USB PS/2 Green

Model: USBAPS2F

Manufacturer: MICRO CONNECT

EAN: 5705965857564

Product Code: 1071968

R757

The Adapter USB A to PS/2 M-F (MPN: USBAPS2F) is a versatile solution for connecting your PS/2 keyboard or mouse to a USB port on your computer. This adapter provides a seamless connection, allowing you to utilize older peripherals with modern devices. Designed with MicroConnect's commitment to quality, this adapter ensures reliable signal transmission and durable performance. Ideal for users who prefer the feel of classic PS/2 peripherals or need to connect to systems lacking PS/2 ports, this adapter embodies MicroConnect's dedication to pioneering connectivity solutions and offering premium quality at a fair price. Benefit from the convenience and compatibility this adapter provides, backed by our 20+ years of industry experience and adherence to European design standards.
