

TP-Link VIGI C320I(4mm) Bullet IP security camera Indoor & outdoor 1920 x 1080 pixels Ceiling/Wall/Pole

Model: VIGI C320I(4MM)

Manufacturer: TP-LINK

EAN: 4897098688946

Product Code: 1072772

R2,477

Security Never Shuts Down

2MP Outdoor IR Bullet Network Camera

Looking for a higher resolution? It's right here.

2MP Full-High Definition

The VIGI C320I camera comes with 2MP—more than enough pixels to pick up some of the more discrete details.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Human & Vehicle Classification

Integrated AI chips support advanced algorithms to distinguish humans and vehicles from other objects. You can flexibly customize alarm rules to match your monitoring needs and receive more accurate event notifications

We keep an eye on your business.

Smart Detection

Backed by AI algorithms, the VIGI camera offers more smart detection. You will receive notifications when someone crosses a boundary, enters an area you've set, obstructs the camera, or removes/abandons objects.

Never miss a detail.

SmartVid-Smart Video Enhancement

VIGI's professional technologies process videos to greatly improve their quality that is vital to your monitoring, including Smart IR, WDR, 3D DNR, and Night Vision.

More compression. More savings. Same quality.

Without using any extra bandwidth, your cameras transmit compressed crystal-clear video to save disk space, ease network loads, and reduce monitoring costs without sacrificing image quality.

IP67 for Better Protection

Capable of withstanding temperatures from -30–60 °C
(-22–140 °F), VIGI performs well even in harsh
environments with rain and dust.

Simplified Deployment with PoE

Easily connect and power your PoE camera with one RJ45 cable transmitting both data and power. No power adapter needed.

Choose the right lens for your security.

2.8/4/6 mm lens

Whether you need a wide angle lens to cover enclosed spaces like elevators or a higher millimeter lens for longer distances in open spaces like parking lots, C320I comes with three different lens versions to better suit your security needs.

Flexible Installation Gives You More Convenience.

Find the perfect vantage point by simply securing your camera to the ceiling, wall, or pole.

Flexible Management

Take full control over your security via four management methods: the web UI, NVR UI, VIGI app, and VIGI Security Manger.

One system. Full security.

Run your business with peace of mind.

The VIGI professional surveillance system by TP-Link is dedicated to protecting the business you've worked hard to build — whenever, wherever. Our outstanding functions, reliable quality guarantees, and simplified installation work together to ensure your business stays safe and sound.
