

TP-Link VIGI NVR1004H-4P-2TB Black

Model: VIGI NVR1004H-4P-2TB

Manufacturer: TP-LINK

EAN: 4895252507171

Product Code: 1072817

R4,984

Security Never Shuts Down

VIGI NVR1004H-4P 4 Channel PoE Network Video Recorder

Every angle all on one screen.

4K HDMI Video Output & 16MP Decoding Capacity

Sharp image definition up to 8MP and a 4-channel display ensures you capture every detail, from every angle.

Dedicated 4 PoE+ ports (53 W budget) for simplified IP camera deployment .

Features 4× 10/100Mbps PoE+ ports, the NVR supports up to 30 W on each PoE+ port. Designed to use a single Ethernet cable for both data and power transmission, it offers flexible installation to fit in various surveillance scenarios for small businesses, such as groceries, warehouses, restaurants, and financial institutions.

Reviewing footage is faster than ever.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

4-Channel Simultaneous Playback

Replay the feed from up to 4 cameras at the same time, increase replay speed, and find events in the video schedule to easily review footage.

More compression. More savings. Same quality.

Without using any extra bandwidth, your cameras transmit compressed crystal-clear video to save disk space, ease network loads, and reduce monitoring costs without sacrificing image quality.

No need to check long compatibility lists.

ONVIF Ensures Compatibility

Easily add IPCs from VIGI and other brands to establish a powerful and varied network thanks to barrier-free compatibility.

Plug & Play.

Allows new and unused VIGI IP Cameras to be added automatically to the new NVR and activated instantly, making installation faster than ever before.

Security for every hour and every day.

24/7 Continuous Recording

Stores up to 10 TB of footage from managed cameras to secure your data for quick, convenient access.

Keep an eye on things even when you are on the move.

Remote Monitoring

The dedicated VIGI app, web UI, and VIGI Security Manager enable remote monitoring, providing ease and convenience.

Greet your visitors before they enter.

Two-Way Audio

With voice intercom support, carry two-way conversations while watching your feed from anywhere. Suitable for management.

Higher bandwidth for high-definition cameras.

80 Mbps Video Access Bandwidth

High video access bandwidth ensures your NVR manages cameras with high resolutions. Based on laboratory testing using VIGI cameras, VIGI NVR can manage up to four HD cameras.

One system. Full security.

Run your business with peace of mind.

The VIGI professional surveillance system by TP-Link is dedicated to protecting the business you've worked hard to build — whenever, wherever. Our outstanding functions, reliable quality guarantees, and simplified installation work together to ensure your business stays safe and sound.
