

LevelOne Gigabit Ethernet Wireless LAN Controller, Manage up to 128 APs

Model: WAC-2010

Manufacturer: LEVELONE

EAN: 4015867231647

Product Code: 1073352

R3,054

The LevelOne WAC-2010 is a Gigabit WLAN controller designed for use in small to medium-sized networks in SMEs, schools, guesthouses, hotels, and apartments. Central management of up to 128 APs provides complete wireless security and service solutions for any small to medium-sized wireless network.

The WAC-2010 integrates a variety of features that allow the administrator to easily build the AP configuration. Including tag-based VLAN settings, AP firmware updates, as well as monitoring of the number and status of connected APs and users.

The WAC-2010 controller is also an Internet gateway with a robust firewall to protect against intruders, 1 WAN and 4 LAN ports at Gigabit speed enable fast and reliable data distribution in the
