

Cudy WR1200 wireless router Fast Ethernet Dual-band (2.4 GHz / 5 GHz) White

Model: WR1200

Manufacturer: CUDY

EAN: 6971690792077

Product Code: 1074032

R1,438

Responsive and Wide-Coverage Wi-Fi

MU-MIMO communicates with multiple devices simultaneously and reduce the latency. Beamforming boosts signal towards the connected devices.

Fast Ethernet for Stable Wired Connections

Reliable high-speed ports ensure low-latency, stable performance for streaming, gaming, and data transfer.

Easy Setup, Versatile Management

Network Status Panel

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Finish setup in minutes and know the system status at a glance with the status panel.

Parental Controls

Create profiles to block certain pages and limit online time such as weekday or weekends to protect your loved ones.

VPN Client and Servers

PPTP/L2TP/WireGuard/OpenVPN allow you to connect multiple devices at once to your private or commercial VPN.

Enhanced Security

WPA3 encrypts your wireless communication and protects your data from leaking.

Parental Controls

Set Wi-Fi time schedules and block inappropriate websites to protect your loved ones. You can create custom profiles to easily manage multiple devices.

A dual-band WiFi router ideal for streaming smooth video playback with a maximum of 100 Mbps internet access, featuring MU-MIMO and App control.
