

Microconnect XLRMF10 audio cable 10 m XLR (3-pin) Black

Model: XLRMF10

Manufacturer: MICRO CONNECT

EAN: 5704327474357

Product Code: 1074596

R958

The XLRMF10 is a high-quality XLR connection cable, designed for professional audio applications requiring a balanced signal over longer distances. This 10-meter cable ensures reliable and clear audio transmission, minimizing interference and signal loss. Ideal for connecting microphones to mixers, amplifiers, or audio interfaces, the XLRMF10 cable boasts durable connectors for secure and stable connections. Built to MicroConnect's exacting European quality standards, this cable provides exceptional performance and longevity, making it a valuable addition to any studio, stage, or sound reinforcement setup. With over 20 years of expertise in connectivity solutions, MicroConnect delivers premium quality at a fair price, ensuring your audio signals are transmitted flawlessly.
