Product Code: 1075038

R34,569

The Conceptronic Online Rack/Tower UPS is the ultimate solution for dependable battery backup in both home and office settings. With an output power factor of 1.0, this UPS delivers maximum efficiency and performance. Its ECO mode feature conserves energy, making it an environmentally friendly choice. Designed for generator compatibility, it provides continuous power even during extended outages.

Equipped with a HID-compatible USB connection for seamless device communication and an Emergency Power Off (EPO) port for added safety during emergencies, the Conceptronic Online Rack/Tower UPS offers both convenience and security. The easy battery replacement feature simplifies maintenance, while the programmable outlet management allows you to tailor power distribution to meet your specific needs.
