

ASUS SDRW-08U5S-U optical disc drive DVD Super Multi DL Pink

Model: 90DD0114-M20000

Manufacturer: ASUS

EAN: 4893433129860

Product Code: 1075818

R2,330

Ultra-thin and perfect for Ultrabooks!

- World's Thinnest DVD-Writer;
- 8X DVD writing speed;
- Built-in Hidden stand saves space and increases mobility;
- Disc Encryption doubles the security with password control and hidden file function;
- Drag-and-Burn with 3 easy steps to complete disc burning.

ASUS SDRW-08U5S-U external DVD writer presents a highly portable optical drive with the World's thinnest form factor at just 12mm. Its sophisticated Zen-inspired design includes a built-in hidden stand that saves space and reduces clutter while enabling dual-stance horizontal and vertical placement. For data protection, ASUS integrates dual security measures, with password controls and encryption alongside encoded file name functionality.

Doubled data security

Highest security standards with password control and encoded file name functionality.

The Most Energy Saving Drive

E-Green auto-closes drive application when not in use, saving over 50% power consumption for users.

Burn discs in three simple steps

Drag and drop files to complete super-reliable disc burning in three intuitive steps.

Flexible Dual Positioning

Bundled stand enables vertical and horizontal placement for greater convenience and space saving.
