Sandberg All-in1 Powerbank 27000 PD 240W is for those who demand maximum performance. With a built-in USB-C cable, a USB-C port, and a USB-A port, you can charge your laptop, smartphone, and other gear all at once – with up to a wild 240W total output. The smart color display gives you full insight: see capacity, power consumption, and charging in real-time. And with 27000 mAh, it's still within the limit to take in the cabin on flights. Pure power, packed elegantly and efficiently.
